

“I AM FREE INDEED”

NOTE: David, a dear friend from Ireland, sent me this today, and it so resonated in my heart and spirit. SMART, (sexual molested adults releasing trauma) the sexual abuse group that God helped me start in our church and that ran for six years, touched hundreds of lives. I am still seeing the positive results of those men, woman and teenagers who were set free, are moving in God’s freedom today, and serving Him with their whole hearts, soul and spirit. We also declared and moved in the truth of John 8:36- *whom the Son sets free is free indeed!* God is faithful!

John 8:32 was SMART’s foundational scripture as well as the logo shown on the front of my web site page (designed by one of the SMART ladies). These two scriptures will have a special place in our hearts and will always be a wonderful reminder of God’s love, mercy, grace and freedom for those of us who were a part of the SMART ministry.

I love God’s timing. He never ceases to amaze me in how He puts things together for His children. You will also see on the Home Page of my web site a link to Maxine Marsolini’ s web site, and the interview that we did on the 23rd. It will give you a more in depth understanding of the SMART Ministry and God’s heart for abused, hurting people.

Check it out and be open to letting God move in your heart and life. I don’t believe that this message came from David as a happenstance, a coincidence, but rather I believe that David wrote and sent it to me in God’s total, complete, and perfect timing! Jesus is the Son of God that sets people free, and who He sets free is free indeed—now and forever. Jesus changes not—He is the same yesterday, today and forever.

Thanks David for your timely message. For you readers, may you be blessed and led into freedom as you will see the various ways that the word, *FREE*, is used to encourage the believer, bring God’s truth to the forefront of your mind, and to help you focus on the right person in your life—JESUS.
