

JACQUIE MCCALL'S VISION FOR SCOTLAND - 2-2-2010

Arise people of Scotland!

You are a nation of warriors, stand up and fight for the Kingdom of God.

You are NOT a nation of cowards, so why has My Church become frail, weak and limp.

Rise up My people in Scotland!

Begin to raise a standard of righteousness and holiness in My Name.

Mighty warriors of Scotland arise!

Look at your heritage, look at your history and rise up in power once again.

Rise up My mighty warriors of Scotland!

Lift up My Name in boldness, for I have not given you a spirit of timidity such as you have become, but of strength, of boldness and of soundness of mind.

The Lion of Judah calls you together; a mighty army in Him.

The One True King is taking up His throne in the hearts of men, go out and bring in the harvest.

I am coming, My Spirit is here, I will take up My throne in the hearts of men in Scotland

Even now the harvest is ready, pray ye therefore that I would send laborers for the harvest.

Arise Scotland, arise, your time has come!

Jacquie lives on the West Coast of Scotland with her husband Kevin and their three teenagers. Easter 2000, Jacquie came back to the Lord; immediately she knew that there had to be more to living in Christ than what she was seeing. She knew she'd been called to speak out with boldness against all the compromise with the world, and to lead other believers into a stronger and more committed relationship

with their God. Jacquie's preaching messages challenge the "way it's always been" and challenges a sugar coated gospel which leaves people free to continue living their lives as they please. Jacquie's calling is to speak out against all the "Wishy washy, do what you like!" Christianity, and PRAISE GOD, after ten years she has started doing just that!

Jacquie's heart burns with a passion to see a network of lively, vibrant, spirit filled and led, local fellowships set up where the power and presence of Jesus Christ is fully displayed through the witness of transformed lives. And through "equipping the saints for the work of the ministry", training up and sending out; lives would be changed to the glory of God. Jacquie's desire is to see God move mightily through the believers in Scotland and the UK, to see the Body of Christ here in Scotland once again moving in His power, by His Spirit and reclaiming the land for His glory!

Jacquie's personal scripture from the Lord is **Isaiah 43:19** "*Behold, I do a new thing; now it shall spring forth; shall ye not know it? I will even make a way in the wilderness, and rivers in the desert.*"
